PRESIDENT: Senator Barrett. Let me get you some order, Senator Barrett. (Gavel.) May we have attention to Senator Barrett who will explain LR 211. Senator Barrett, can you hear me?

SENATOR BARRETT: Mr. President and members, a public hearing was held on the 18th of May, 1983, by the Business and Labor Committee to review labor contracts which have been negotiated and previously approved by both parties, that is state agencies and public employee organizations. These contracts were reviewed by the Attorney General. The contract negotiations, I should hasten to add, six of the contracts have not been approved at the present time. They have reached the state of impasse. I would suggest to you that they will be heard before the Committee of Industrial Relations at some time later in the year. But at any rate, the four were approved. You will find them in the resolution found on page 2455. The Business and Labor Committee unanimously voted to introduce the resolution and asked for the approval of the resolution by the full body. Thank you, Mr. President.

PRESIDENT: The Chair recognizes Senator Newell. Is there further discussion on Senator Barrett's resolution 211? If not, the motion is to adopt LR 211. All those in favor vote aye, opposed vote no. The Clerk will record the vote.

CLERK: 32 ayes, 0 nays on adoption of the resolution.
